ABSTRACT

This bibliography lists 221 materials considered to be helpful in identifying obstacles to sex education, understanding the nature of the opposition to sex education, appreciating approaches useful for building community support, and learning about the legal aspects of sex education. Resources contained in this bibliography are through July 1982 and comprise a revision of a June 1981 bibliography. The entries are listed alphabetically by author and, although not annotated, each entry is coded to tell the reader whether the entry's primary content consists of essential and basic resources, historical background on sexual education controversies, strategies or approaches for sex education supporters, opponents' literature, legal aspects of sex education, research or survey reports, commentary or opinion, related areas, or general reference with much material on obstacles and opposition to sex education. In addition to the resources in the main bibliography, three additional lists of resources are included: (1) a list of 12 sources of information on censorship, civil liberties, the New Right, and current sex education activities and coalitions; (2) norms of 6 special journal articles devoted to sex education; and (3) organizations and addresses for widely circulated newsletters from opponents of sex education. This is not a general resource list for sex education programs. This Bibliography lists materials that I have found particularly helpful in identifying obstacles to sex education, understanding the nature of the opposition and their tactics, appreciating approaches useful for building community support, learning about the legal aspects of sex education, etc. While many excellent resources undoubtedly have been omitted, their absence from this list is not necessarily a reflection upon their quality. These are resources that I have personally found useful up to July 1982. This is a revision of the June 1981 edition.

In addition to the resources on this list, regular sources of information on censorship, civil liberties, the New Right, current sex education activities and coalitions, include the following:

American Association of Sex Educators, Counselors and Therapists, 600 Maryland Ave., SW, Washington, DC 20024

Censorship News, National Coalition Against Censorship, 132 West 43rd St., NY, NY 10036

Civil Liberties, newsletter, American Civil Liberties Union, 132 West 43rd St., NY, NY 10036

Emphasis, Department of Education, Planned Parenthood Federation of America, 810 7th Avenue, NY, NY 10019

Family Life Educator, ETR Associates, 1700 Mission, Suite 203-204, Santa Cruz, CA 95060

Group Research Report, Group Research, Inc., 419 New Jersey Avenue, SE, Washington, DC 20003

IMPACT, Institute for Family Research and Education, 760 Ostrom Avenue, Syracuse, NY 13210

Interchange, Interchange Resource Center, 1126 Sixteenth Street, NW, Washington, DC 20036

Newsletter on Intellectual Freedom and Freedom to Read Foundation News, American Library Association, 50 Huron St., Chicago, IL 60611

People for the American Way, 1015 18th Street, Washington, DC 20036

SIECUS Report, Sex Information and Education Council of the United States, 84 Fifth Avenue, NY, NY 10011

Sexuality Today, ATCOM, Inc., 2315 Broadway, NY, NY 10024

The following special journal issues devoted to sex education are also especially helpful:

Family Relations, October 1981 (National Council on Family Relations)

Independent School, October 1981 (National Association of Independent Schools)

Journal of Current Social Issues, Spring 1978 (United Church Board for Homeland Ministries)

Journal of Research and Development in Education, Fall 1976 (University of Georgia)

Journal of School Health, April 1981 (American School Health Association)

Marriage and Family Review, October 1982

Additional literature from opponents of sex education can be obtained from the following. There are literally hundreds of local opposition newsletters, and scores of nationally distributed newsletters, but these are among the most widely circulated:

All About Issues, American Life Lobby, 529 Fourth St., NW, Suite 357B, Washington, DC 20045

Christian Inquirer, Box 76, Ellicott Station, Buffalo, NY 14205

Conservative Digest, 631 Independence Avenue, Marion, OH 43306

Education Update, Heritage Foundation, 513 C Street, NE, Washington, DC 20002

Educational Research Analysts (Mel and Norma Gabler), PO Box 7518, Longview, TX 75602

Family Protection Report, Free Congress Research and Education Foundation, 4 Library Court, SE, Washington, DC 20005

News for Good Neighbors, Right to Life News, and Sex Education and Mental Health Report, Christian Family Renewal, Box 73, Clovis, CA 93613

Phyllis Schlafly Report, Box 618, Alton, IL 62002 (Eagle Forum)
